Welcome to The Whitechapel Campus

Welcome to our consultation event for the future of
The Whitechapel Campus. With the London Metropolitan
University (LMU) leaving the majority of the site in summer 2026,
we are proposing a plan to breathe new life into Calcutta House
and this prominent set of buildings in the heart of Aldgate.

Key Opportunities

TRILOGY

ALLFORD
HALL
MONAGHAN
MORRIS

Safer Streets

The project will create safer streets through active frontages, enhancing passive surveillance

Educating the Next Generation

Cementing the campus as a home for education and upgrading it for the next generation of learners

Green Spaces

Making new green spaces & creating a new east-west connection through the site

Local Economy

Generating footfall and revenue for local retail and hospitality businesses

Heritage Revitalisation

Retention and restoration of characterful heritage buildings to create an exemplar state-of-the-art Higher Education building

Community Facilities and Garden

Community facilities and garden designed by the community, for the community, to serve the needs of local residents in the surrounding area
