

Environmental Impact Assessment Report

Beinneun 2 Wind Farm

Volume 2a – Figures

Document prepared by Envams Ltd for Beinneun 2 Ltd

July 2025

TABLE OF CONTENTS

Figure Number	Title
Figure 1.1	Site Location
Figure 1.2	Site Boundary
Figure 3.1	Environmental Designations
Figure 3.2	Main Onsite Constraints
Figure 3.3a-d	Site Design Evolution:
Figure 3.3a	Scoping Layout
Figure 3.3b	Pre-Design Chill
Figure 3.3c	Design Chill
Figure 3.3d	Final Design
Figure 4.1	Site Layout
Figure 4.2	Indicative Turbine Elevation (200 m Tip Height)
Figure 4.3	Typical Turbine Foundations
Figure 4.4	Typical Crane Pad Hardstanding
Figure 4.5	Typical Cable Trench Detail
Figure 4.6	Typical Substation Layout and Elevation
Figure 4.7	Typical BESS Layout
Figure 4.8	Typical Control Building and BESS Elevations
Figure 4.9	Typical Construction Compound
Figure 4.10	Typical Track Details
Figure 4.11	Typical Watercourse Crossings
Figure 4.12	Proposed Site Entrance
Figure 4.13	Typical Meteorological Mast
Figure 5.1	ZTV Study (Bare Ground)
Figure 5.2	ZTV Study
Figure 5.3	Topography and Landcover
Figure 5.4	Landscape Character
Figure 5.5	Landscape Character and Visibility
Figure 5.6	Visual Receptors

Figure 5.7	Night-time Baseline
Figure 5.8	ZTV study – Aviation Lighting
Figure 5.9	Cumulative Wind Farms
Figure 5.10	Cumulative ZTV – Operational and Consented Wind Farms
Figure 5.11	Cumulative ZTV – Operational and Consented Aviation Lights
Figure 5.12	Cumulative ZTV – Culachy Wind Farm
Figure 5.13	Cumulative ZTV – Millennium East & Beinn Bheag Wind Farms
Figure 6.1	Site Overview and Ecological Designated Sites / Ancient Woodland within 5 km
Figure 8.1	The Site, Turbine Locations and Heritage Assets
Figure 9.1	Cumulative Noise Screening Plot
Figure 9.2	Noise Contour Plot
Figure 11.1	Traffic and Transport Study Area
Figure 11.2	Traffic Counter Locations
Figure 11.3	Abnormal Loads Route
Figure 12.1	Hydrology Study Areas
Figure 12.2	PWS Study
Figure 12.3	Watercourse Buffer
Figure 12.4	Drainage Basin Catchments
Figure 12.5	DWPA Catchments
Figure 13.1	Core Paths and Recreational Routes within 5 km
