Dear Resident,

**Golden Lane Windows – Crescent House Pilot Project.**

Please be advised that an application for planning permission for the Crescent House Pilot Project was submitted, week commencing Monday 25th April 2022, reference **22/00322/FULL**. Once this application has been validated and the associated documents have been uploaded you will be able to view the application and make observations should you wish to do so.

The City of London Corporation wants all of our communities to have a say in the planning decisions that shape its future and in deciding planning applications in the City.

Your local planning authority will issue a Planning Notice letter and you should receive a copy in the post. You may also see notices placed around the local area. The Planning Notice will include details on where and how you can make your observations.

You should view the planning application before sending in your observations by using the online facility or by contacting the local planning team to arrange to view the plans at their Planning Enquiry Desk.
